

Town of Burnsville
Planning Board Meeting 4-16-12

On April 16, 2012 the planning board held a meeting at town hall. In attendance were board members Randy Banks, Harrison Tyner, Chuck Aldridge, Schell McCall, staff members Ronnie Tipton and Anthony Hensley. Also in attendance were Armin Wessell, Alan Orowitz, Judy Buchanan, Bill Wheeler, Wanda Proffit, Ron Hancock, and Ginger Johnson.

Chuck Aldridge called the meeting to order and explained the absence of Chairman Dean Gates was due to the death of his father.

Minutes from the previous meeting were not available but should be ready at the next meeting to read and approve.

Public Comments:

_Armin Wessel asked for an explanation of why the Moratorium on signs was lifted, and what effect this will have going forward. Ronnie Tipton and Anthony Hensley explained, and clarified that now that the Moratorium is lifted, it remains lifted, and the previously existing town ordinance is still in place.

_Alan Orvitz asked about a date for a meeting to get input from citizens regarding the vision for the Town's future. Chuck informed him that we do not currently have a set date for such a meeting.

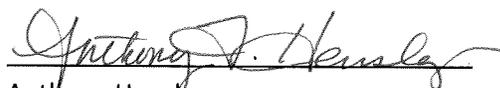

Presentation by Ron Hancock:

_Ron described his role in the planning process. The Board will work toward formulating a scope of work for design, and proceed with a Request for Qualifications for graphic design as soon as is possible. The Board recognizes a need for the formation of a subcommittee that includes Town citizens and business people to provide input as we proceed with design concepts.

_There were discussions amongst Board Members and Town employees regarding the lifting of the Moratorium on signs.

Chuck Aldridge made a motion to adjourn and was seconded by Schell McCall. All approved.

Respectfully submitted,

Anthony Hensley
Public Works Director
